Infiniti Modules P Ltd is a manufacturer of fine and contemporary furniture. To offer a complete suite of products for the office, school and seating, Infiniti has entered into strategic alliances with world leaders in various disciplines.

Infiniti is the licensee partner of **VS Furniture, Germany** - the largest school furniture manufacturer in Europe. Conforming to DIN-ISO-Standard 5970, the school furniture provides the best ergonomics in classrooms, hostels, offices and public areas. The company has a well equipped manufacturing facility, with German and Italian machines; a complete panel processing plant and in-house metal fabrication facilities. High quality raw materials and processes are used to ensure superior end products. Vital components are imported from **VS Furniture, Germany**.

Since furniture is the only element that comes into physical contact with students, most discerning institutes invest in scientifically designed, INFINITI furniture, to prevent postural damage during the formative years.

Infiniti has executed projects across the country for prestigious educational institutions and offices.
